THE HOME NEWS.

Gorton's Minstrels tomorrow.

Hear the band tomorrow, just before noon.

Dr. Hobson, the celebrated dentist, will be at the Garrard Hotel next Monday. See him.

Baptist Entertainment.

The ladies of the Baptist church claim February 14th for an entertainment at the parsonage.

The regular Wednesday night prayer meetings were resumed at the Presbyterian church last week. Services begin at 7 o'clock.

The Fiscal Court should have storm doors placed at the entrance to the court house. It would make the building much more comfortable.

It looks like old times to see "Snally" Wherritt in the clerk's office with a pen over his ear. "Billy" Lawson also looks at home in the sheriff's office.

Gorton's Minstrel show is refined and high-class. There's nothing on the rag-time order about it. High-class music and fine performers make up the show.

Subjects.

The subjects for next Sabbath's sermons at the Methodist church are: Morning: "The Days of Visitation." Evening: "Speak unto Israel That They go Forward." Everybody invited.

Fine Horses.

W. B. Burton sold this week to Ball Bros., of Versailles, an extra fine mare for \$225. He also sold a gelding to Loge Denny, of Danville, for \$100. He bought in Richmond, Monday, five head at from \$100 to \$150.

Money for Teachers.

Miss Elisa Lusk tells THE RECORD that the last payment will be made to teachers next Saturday, January 11th. The money will be paid at her office, in Lancaster.

New Officers.

The Christian Endeavor Society elected the following officers: Miss Mary Thompson, president; Miss Bessie Batson, vice-president; Victor Stone, secretary; Henry Bastin, treasurer; Miss Jennie Burnett, cor. sec'y.

Don't Miss the Free Concert.

Gorton's Celebrated Band parade and concert at 12 noon and 7.15 p. m. Faultless rendition of popular and classic selections, including two or more solos at each concert. With Gorton's Minstrels, January 10th.

"Mike" Back Home.

Capt. Mike Salter came home a few days ago to see his old friends and enjoy a short vacation. He says he has a good job, and is getting along nicely. The boys gave him a warm reception, as he is very popular and much liked by all.

Notice.

If you have not paid your taxes you will find Sanders and Ward in E. W. Harris' store preparing to advertise your stuff. Do not say you had no warning, you can save cost by paying before we reach your name.

Sanders & Ward.

"Mat" Retires.

G. M. Siler, who has been serving as deputy marshal, has decided to return to his profession of trading in stock. Mr. Siler has made a fearless and faithful officer, doing much good work in keeping the peace. It will be hard to find another as good as "Mat."

Important to W. C. T. U.

The W. C. T. U. meets every Saturday at 3 o'clock. We elected officers last Saturday, and the prospects are good for a prosperous year. All members are requested to see the treasurer, Mrs. Ed Price, and pay their dues for 1902. Mrs. Fanny Farra, Sec'y.

Judge Shugars Sworn In.

Judge William Shugars mounted the wool-sack in the local Police Court Monday and is dispensing justice with impartiality at the old stand. THE RECORD duffs its title to Judge Shugars, and hopes he will make the way of the transgressors exceedingly hard.

Well Known in Garrard.

News of the death of Rev. N. Gilam was received from his home in Richmond, Indiana, Tuesday. Mr. Gilam was related to many people in this county, and was well known to many of our citizens. He frequently visited here. He was a noble man, a good preacher and a true friend.

Money Lost.

Monday morning, a lady lost a hundred dollars in bills on the Public Square, near Stormes' drug store. A liberal reward will be paid for return to THE RECORD office. The loss is a heavy one, and it all depends upon the honesty of the finder whether the money will be returned. If an honest man found it, it will be returned, but if the bills fell into the hands of a thief, its farewell money.

Fine Showing.

We call attention to the statement of the Paint Lick Bank, published in this issue of THE RECORD. Under the able management of Cashier Kemper, the bank has far surpassed the expectations of the promoters of the institution, and is proving a great convenience to the people of that thriving little city.

Good for Lancaster Boy.

His many friends are glad to know that John L. Norris was elected janitor of both houses at Frankfort Monday. The place pays four dollars a day, and the victory is a feather in John's cap. He is a son of Charley Norris, and recently moved with his parents to Frankfort.

Hustling Young Fellow.

Sausley Hughes purchased of Jno E. Stormes the residence occupied by his parents on Richmond street, paying \$1,200. Mr. Hughes holds a clerkship in McRoberts' drug store, and tells us he knew of no better way to save his money than by investing in this way. Sausley is a hustler, and this step is commendable in him.

Perfect Service.

As soon as the democratic caucus had nominated officers at Frankfort Monday night, the Bastin Telephone Co., informed its subscribers in all the surrounding counties of the fact. The independent lines are right up to date, and our people are going to freeze to them, knowing that they can get nothing better.

A Fine Edition.

For some unaccountable reason, Editor Albright didn't send us a copy of the special edition of his Mt. Vernon Signal until a day or so ago. The edition reflects great credit upon the hustling young editor, and shows that he is chock full of grit and enterprise. It also contained likenesses of Col. James Adams, formerly of this county, and clever Jim Maret.

Miss Leta Stone, the delightful Ohio soprano, will be heard with the Goodwal Dickerman Co., at the Garrard Opera House next Monday night, the 13th. Her rendition of the old time songs as well as classic selections never fail to delight her hearers. She is one of the few classically cultivated singers who enunciates her words so as to be perfectly heard. Hear her sing the songs your mother used to sing.

A Splendid Brass Band.

Do you remember the minstrel company, which visited Lancaster some years ago, and had the superb band? It sounded like a great pipe organ. There was none of the fussy, harem-scarem about it. Well, that same band will give a free concert on the Public Square about 11:30. It will pay you to hear it, and also go to the show tomorrow night.

A Prominent Feature.

Among the notable engagements with Gorton's Minstrels this season are the Elliott Brothers, the "Fashion Plate Dancers," producing, without doubt, the most graceful and finished dancing act before the public. They are accomplished vocalists, and their act is most magnificently costumed, which produces an effect which meets with the heartiest approval from their audiences. See them at Garrard Opera House tomorrow, Friday night. Reserved seats at Stormes'.

Died in Louisville.

His many Lancaster friends extend sympathy to Rev. J. E. Wolford, of the local Baptist church, on the death of his father, who died in Louisville a few days since. Mr. Wolford went to his father's bedside early last week. The deceased was a well-known real estate dealer in Louisville, and resided at 2212 W. Broadway. He suffered several years from asthma, but his condition did not become serious until a few days before his death. Mr. Wolford will return to Lancaster to fill his pulpit next Sunday, as usual.

A Foolish Ruling.

One of the most unjust rulings on record is the recent one by the Post Office Department which requires publishers of country papers to discontinue sending papers to their subscribers when the time for which it is paid expires. While it is annoying, and frequently disastrous, to the publisher to have to wait for his money, yet in nearly every case the delinquent will pay for the paper, and the only reason he is behind is because he does not think of paying it when he sees the editor or is in town. As for us, we will say that with a very few exceptions, the names on our list are as good as gold, and all arrears are certain to be paid. Then, again, if we want to credit our subscribers, it's nobody's business but ours. An effort will be made to have the ruling set aside, and there is no reason why it should not be. As stated above, of course there are a few dead heads on every list, but if the publisher sees fit to carry them, its loss and Uncle Sam loses nothing by it.

Do you like the songs of the olden times? Hear them by the Goodwal Dickerman Company, at Garrard Opera House, next Monday, the 13th. Reserved seats at Stormes drug store. Prices, 25, 50 and 75 cents.

He Loves His Birthplace.

In a letter to the editor, Miss Lella McKee, president of the Western College, at Oxford, O., adds the following in regard to her father, the venerable Dr. J. Lapsley McKee: "Lancaster has no truer friend than my father. He loves it not only because it is his birthplace, but because it is the home of so many who are near and dear to him; and his family share in this feeling, although it is impossible for us to show it in any practical way." We understand Dr. McKee's health is somewhat improved, which will be good news to his host of Lancaster friends.

Died in Texas.

Wesley Lackey, whose illness was noted in last issue of THE RECORD, died at his home near Chillicothe, Texas, Wednesday night. His brother, Will, left here on the Monday previous, but did not reach Texas in time to see him alive. The deceased was well known in Garrard, belonging to one of Garrard's most prominent families. He was a man of fine business ability, and a sober, straight citizen. He leaves a wife and one child, a girl about three years of age. He was a son of Mr. and Mrs. John Lackey, of McCreary.

A Good Officer.

Chief of Police, S. D. Turner, tells us he has not yet decided upon a deputy, but will take pains to secure a good man in every particular. Since Mr. Turner took the place, the shooting and general devilment has been stopped, for which the people living near the Public Square are exceedingly thankful. The hoodlum element, that tanks up on court days has also been given to understand that the law will be enforced. The idea that a few drunken hoodlums can "take the town" has been dispelled, for which Mr. Turner is entitled to many thanks. Dee plays no favorites.

Looking Forward.

The announcement that Lancaster is to have the famous impersonator, Goodwal Dickerman, and Superb Company of Musical Artists for a night's engagement at the Garrard Opera House has already caused a great deal of excitement in society circles. Yes, the wholesale dealer in laugh is coming, assisted by a Superb Company of Musical Artists, and will present a unique program, entirely different from the rest, but better than the best, that should be seen by all who can enjoy pure fun and good music. Remember the date, Monday, Jan. 13. Seats new on sale at Stormes Drug Store. Prices, 25, 50 and 75 cents.

Mayor Kinnaird Entertains.

A happy event took place yesterday in the form of a dinner given by Mayor Robt. Kinnaird to the newly-elected City Council and a few friends. The dinner was served at the Garrard, and, as is usual with the meals there, was elegant in every detail. The following had the pleasure of sticking their shins under the mahogany: Mayor Kinnaird, Judge Joe Robinson, E. W. Morrow, J. C. Hemphill, W. B. Mason, R. T. Embry, J. A. Beazley, G. B. Swinebroad, S. D. Turner, J. H. Kinnaird, H. T. Logan, J. M. Farra and Louis Landram. After the dinner was served, several appropriate addresses were made.

An Expert.

Mr. W. J. Homer, representing the Montenegro-Riehm Music Co., has been in the city for several days and sold a number of the excellent instruments handled by that firm. Mr. Homer is a professional musician, and an expert piano tuner. He is pronounced by those who know what they are talking about, to be the best piano tuner who has worked in this section of the state. THE RECORD can recommend him, from personal knowledge, and if your piano needs tuning this is a splendid opportunity to have it done by one who understands the business, and is an expert in every sense of the word. Any message left at this office will be delivered to Mr. Homer.

City Council.

The new City Council met Monday evening and selected officers for the ensuing year. The Mayor appointed the following committees:

On Finance, Wm. Herndon and J. C. Hemphill.

On Streets, Judge Joe Robinson and J. A. Beazley.

On Charity, R. Kinnaird and E. W. Morrow.

There were several applicants for the places to be filled, but at a caucus held just before the meeting, the following were agreed upon:

Chief of Police, S. D. Turner. Treasurer, Robert T. Embry. Attorney, G. B. Swinebroad. Clerk, W. B. Mason.

We understand active measures will be taken toward the building of a system of water works, and as the people have said in thundering tones that they want water the Council should lose no time in complying with the wishes of the tax-payers.

Doors.

After a lingering and painful illness, Miss Hettie Doores died at her residence in this city, early Monday morning. She had suffered from cancer for some years, all efforts to check the disease proving of no benefit. She leaves a sister, Mrs. Mary Noel, of Danville, and two brothers, James E., of Lancaster, and Dr. Doores, of Crab Orchard. She was a life-long and devoted member of the Baptist church, a true Christian, and a willing worker for the cause of her Master. She was highly esteemed by all who knew her, and her death is deeply deplored. Services were conducted at the residence Tuesday morning and the remains interred in the Lancaster Cemetery.

Gets Commission in Army.

Mr. Van Denny, only surviving son of Judge George Denny, formerly of Lancaster, but now residing in Lexington, has been commissioned a second lieutenant in the army, being assigned to the Infantry. He was recently examined at Chicago, and the report of the examining officers was quite complimentary. Van is a popular young man, has always been a close student, and his natural abilities fit him admirably for the position. A great many young men apply and are examined for these positions who fail to pass. On behalf of his Lancaster friends, THE RECORD congratulates the handsome young soldier.

New Officials Sworn In.

All the newly elected county officials were duly sworn into office Monday morning. They are as follows: County Judge, A. D. Ford. County Attorney, Jas. I. Hamilton. County Clerk, Alex. R. Doty. County Assessor, Thos. Austin. Jailor, David G. Ross. Sheriff, William L. Lawson.

The following Magistrates were also sworn in: James P. Bourne, Forrest Stapp, William Walls.

Mr. Doty has selected his son, John L. Doty and Mr. Thomas Wherritt as his deputies, and Mr. Lawson appointed Mr. Clate Arnold deputy sheriff. We tried to secure pictures of the new officers, but finding that all could not be obtained for this issue, we will give them later on, provided we can get them all. THE RECORD wishes each and every one a pleasant term. They are all capable and trustworthy men, in whose hands the affairs of the people will receive careful attention.

County Treasury Flush.

At the regular meeting of the Fiscal Court, held Saturday, County Treasurer, Owen W. Shugars, filed his report, which showed a balance of \$11,943.10 to the county's credit. As Mr. Shugars was appointed some time since to fill the unexpired term of "Squire W. H. Kinnaird, he will hold the place for some time yet. At this meeting the order appointing Dr. Wesley county physician, at a recent meeting, was rescinded, the new court to appoint at its next meeting. Miss Elisa J. Lusk was allowed an additional \$100 on her salary as Superintendent of Schools, which order will meet with the approval of every one familiar with the work she has to do. She certainly deserved the raise.

A Suggestion.

Those who are familiar with the court house offices, know that the vaults and rooms have become considerably crowded with old books and papers, which, while of little value, are bound to be preserved. The question of disposing of, or removing, has been frequently discussed, but nothing ever came of it. THE RECORD would like to suggest to the court that at a very small cost a large vault could be erected on the lot adjoining the court house. On each side thereof could be erected two offices, one story high. These four offices would be readily rented by lawyers, and the rent would in a short time pay for building the vault and become a source of revenue to the county. Place the new building say twenty feet from the court house, and run back to the alley, making a wide passage way between them, and, as the new building would only be one story high, there would be no obstruction of light whatever or danger from fire. In this new vault, all the surplus papers in both the county and circuit clerk's offices could be stored, and, being fire-proof, could be preserved in much better condition than at present, as the continual handling and moving now necessary will finally wear them out. As to the offices, all needed would be a large front room, with a consultation room in the rear. The lawyers would make a rush to get the rooms, as they would be convenient and just what they want. THE RECORD respectfully calls the attention of the new court to this idea, believing it to be of vast benefit to the county. The county now owns the lot on which the new building would stand.

CENTRAL RECORD.

— An Independent, Local Newspaper. —
ISSUED WEEKLY.

LOUIS LANDRAM, Editor and Publisher.

Lancaster, Ky Jan. 9th 1902.

MISS HELEN GOULD has again proven her nobility of character by donating a liberal sum of her surplus cash toward the establishment and maintenance of a home and hospital for poor crippled children. This substantial manifestation of the true Christian spirit is indeed a rarity in these days of selfishness and greed. Nine out of every ten people to whom fortunes are left, these days, immediately become narrow minded, and in most cases as selfish and mean as the devil.

A ST. LOUIS minister announced from his pulpit, the other Sunday, that the women should propose, the men being entirely too slow. If this should become the custom, a man, on receiving a proposal, would have to consent and get married right on the spot, or the woman would change her mind before many minutes elapsed.

MAYOR GRAINGER, of Louisville, has announced the fact that as he has completed all his appointments, dished out all the pie, he is now ready to devote his time to the business of the city. For which the tax-payers are doubtless glad. Wonder if he charged any salary during the time consumed in "making his appointments?"

FALSE teeth will be supplied to British soldiers now in South Africa. What the British soldiers need most is backbone, and if John Bull will send them a few car-loads of these necessary "equipments" he will soon end the war with the Boers.

A PLEDGE to vote for no man who uses money or whisky in elections is being circulated in Bath county, and is receiving many signatures. This will never do, for if whisky and money are taken out of Kentucky elections,

BETTER BE SAFE THAN sorry by taking one of the New Perfection Policies of

A call left at the Garrard Hotel will receive prompt attention. Alex is certainly entitled to much praise for his enterprise.

It takes a man with confidence in himself to beat a confidence man at his own game.

A Good Recommendation.
"I have noticed that the sale on Chamberlain's Stomach and Liver Tablets is almost invariably to those who have once used them," says Mr. J. H. Weber, a prominent druggist of Cascade, Iowa. What better recommendation could any medicine have than for people to call for it when again in need of such a remedy? Try them when you feel dull after eating, when you have had a bad taste in your mouth, feel bilious, have no appetite or when troubled with constipation, and you are certain to be delighted with the prompt relief which they afford. For sale by R E McRoberts, druggist.

The indolent husband of a milliner may be said to be wedded to his business.

Child Worth Millions.
"My child is worth millions to me," says Mrs. Mary Bird of Harrisburg, Pa. "yet I would have lost her by croup had I not purchased a bottle of One Minute Cough Cure." One Minute Cough Cure is sure cure for coughs, croup and throat and lung trouble. An absolutely safe cough cure which acts immediately. The youngest child can take it with entire safety. The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute Cough Cure handy. At this season especially it may be needed suddenly. F P Frisbie.

All things that are not worth waiting for come to those who wait.

The many friends of G H Hausan, Engineer, L. E. & W. R. R., at present living at Lima, O., will be pleased to know of his recovery from threatened kidney disease. He says, "I was cured by using Foley's Kidney Cure, which I recommend to all, especially trainmen who are usually similarly afflicted." C C & J E Stormes.

Marriage is probably the only successful co-educational institution.

A Profitable Investment.
"I was troubled for about seven years with my stomach and in bed half my time," says E Demick, Somerville, Ind. "I spent about \$1,000 and never could get anything to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am entirely well." You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol Dyspepsia cures all stomach troubles. F P Frisbie.

It is necessary to postpone some marriages until they can be flanced.

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough." I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annato Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly ward off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. Sold by R E McRoberts, druggist.

A Parents Anxiety For Son or Daughter.
Is relieved to a great extent by sending them to the Commercial College of Kentucky University for a Business Course. Hundreds of the graduates of this College, once farmer boys, clerks and teachers are receiving from \$1,000 to \$2,000 salary per year, or in profit. Address for particulars, Wilbur R. Smith, Lexington, Ky.

The young man who has conscientious scruples about kissing never allows an opportunity to escape.

Brain Food.
Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for brains. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G Green's reliable remedies at Stormes' drug store. "The Superlative"

That, and nothing less than that, applies in describing our overcoat service.

The New Yoke Overcoat

After the Investment Companies.

Thirteen investment companies at Lexington have been notified by the Post office Department that their letter mail will not be delivered. They are notified that they will be given a hearing on January 13. The Government holds that the investment companies are of the nature of lotteries and are obtaining money by fraudulent pretenses.

Notice to the Public at Large.

We have established at Kirksville, Madison county, Ky., an Exchange house for the purpose of accommodating the farmers in that district with Flour, Meal, Bran, etc. This business will be conducted by Mr. J. B. Walker, the polite all-round merchant at that place. Call on him for your needs in his and our line, you will be nicely treated. Respectfully,
Jan-9-20 Potts Brothers.

The Home Merchant.

The Portsmouth Blade makes the following remarks which apply to all towns: "When taxes are to be paid the merchant is in the first rank. When the subscription paper is passed he is on the most and biggest. When tickets for church and charity are sold he is the heaviest purchaser. When a public enterprise is to be carried through he gets to carry the burden. Now, when you have to buy things, don't you think you ought to spend your money with the home merchant?"

WINTER TOURIST RATES.

Queen & Crescent Route.

Winter tourist rates are now in effect to all points South. Through sleeping car service to Florida and New Orleans. Fast schedules. Low rates to Charleston South Carolina Exposition. Greatest display ever seen in the South is promised at the Charleston Exposition this winter. Ticket agents will gladly furnish information as to rates and schedules when called upon.

Would Work Well in Garrard.

Bourbon county has a game warden, and the law is being enforced in a way that good results will follow. Not long ago four white men were fined a good sum for shooting doves out of season, and three negro men were similarly treated for catching fish with seines. The game laws are good enough to be vigorously enforced in every part of the State, and every legitimate sportsman ought to give help in this direction. A game warden in every county, who would do his duty faithfully would prove a valuable public servant. Why can't sportsmen of Garrard county take such steps?

Heavy Travel on C. S.

Danville Courier:—Southern passenger traffic over the Queen & Crescent during the past week has been very heavy. The usual Florida Special has not been put on and most of the work falls on the noon fast train. This train was so long and heavy on Monday and other days, that it was necessary to double up engines and run through with two big locomotives. The Florida Special running straight through from Chicago to Tampa will be put on the middle of this month. There will be a train each way every day and Lexington and Somerset will be the only stops in this state.

To The Public.

I have sold my stock of Hardware, etc., to K. F. Postle and turned same with my good will over to him. I am very grateful to my good friends for their very liberal patronage in the past, and bespeak for Mr. Postle the same kind and liberal patronage as extended me. It is very important to me that my business be settled as soon as possible. I ask all who are indebted to me to come soon to the old stand, where I can be found for a short time or J. B. Collier in my absence to wait on you. By so doing you will greatly oblige, your friend,
1-9-20 J. C. Robinson.

Interesting to Kentuckians.

For a generation past the newspapers and the pulpits have seldom lost an opportunity to moralize upon Kentucky as the "dark and bloody ground," the single state in the Union where passion never cools, and where public law is always subordinate to the personal code. To discover the facts concerning Kentucky feuds, their causes and results, the editor of Leslie's Monthly sent Mr. E. Carl Litsey a careful and accurate observer, on a journey through the most notorious districts of the State. Mr. Litsey discarded all hearsay and relied solely upon first information. The story of all he saw and heard, which is set forth in Frank Leslie's Popular Monthly for January, is of peculiar interest to every Kentuckian.

Favor Thankfully Received.

An exchange very truly says no business men are more annoyed by those who want something for nothing than the newspaper publisher. People seem to forget that the newspaper is primarily published as a business enterprise and that it costs a great deal of money from first to last to run one. Persons who would not go into a merchant's house of business and expect to get any of his stock in trade without paying for it, will drop into a newspaper office and ask free space for the setting of type, printing and postage for a matter in which they alone have a pecuniary interest and profit. The average newspaper in the course of a year gives to church, charity and humanity far more than the average business house and gets no credit for benevolence either.

One of Its Uses.

A drunken, worthless negro froze to death at Paris Sunday night. A similar occurrence is also reported from Winchester. As death by freezing is reported to be absolutely painless a gentleman suggests that whiskey may have its uses after all in ridding the community of worthless characters by the zero route.—Flemingsburg Times-Democrat.

Hard On the Doc.

The Kansas City Journal tells of a physician in Russell, Kansas, who complained to the editor of the local paper that the doctor's name was not mentioned in an announcement of births. "I'll insert it hereafter on one condition," replied the editor. "What's that?" asked the physician. "That I shall also mention your name in connection with the deaths." The physician thought the matter over and concluded that he didn't care to have his name printed in connection with the births, anyway.

Read the 41st Psalm.

A well-to-do deacon in Connecticut was one day accosted by his pastor, who said: "Poor Widow Green's wood is out. Can't you not take her a load?" "Well," answered the deacon, "I have the wood and I have the team, but who is to pay me for it?" The pastor replied, "I will pay you for it, on condition that you read three verses of the 41st Psalm before you go to bed tonight."

The deacon consented, delivered the wood, and at night opened the word of God and read the passage: "Blessed is he that considereth the poor, the Lord will deliver him in time of trouble. The Lord will preserve him, and keep him alive; and he shall be blessed upon the earth; and thou wilt not deliver him unto the will of his enemies. The Lord will strengthen him upon the bed of languishing; thou wilt make all his bed in his sickness." A few days afterward the pastor met him again.

"How much do I owe you, deacon, for that load of wood?" "Oh," said the now enlightened man, "do not speak of payment; I did not know those promises were in the Bible. I would not take money for supplying the widows' wants."

A Few Solid Questions.

Do peddlers trust you until you sell your corn?
Do peddlers pay taxes in your town?
Do you warm your shins at the fire furnished by peddlers when you come to town?
Do peddlers pay taxes in your county?
Do you ever hear of anyone getting short weight from peddlers?
Do peddlers help keep up the schools and churches?
Do peddlers ever misrepresent their goods?
Have peddlers any interest in you except to get your money?
Do peddlers correct mistakes?
Are peddlers traveling through the country for their health?
Do peddlers sell you goods when you have no money?
Did you ever buy anything of a peddler that you could not have bought as cheap in town?
Can you see a hole in a fence when it is as big as a barrel?
Can your merchant get along without your trade?
Can you get along without the home merchant?

Prohibit lobbyists of all kinds from entering the State Capitol when the Legislature is in session.

Make such a comprehensive and stringent law against pool rooms as to break them up.

accompanying mucous patches in the mouth, eruptions on the skin, sore throat, copper-colored spots, swollen glands, aching muscles and bones, the disease is making rapid headway, and far worse symptoms will follow unless the blood is promptly and effectually cleansed of this violent destructive poison.

In the fall of 1897 I contracted Blood Poison. I tried three doctors, but their treatment did me no good; I was getting worse all the time; my hair came out, ulcers appeared in my throat and mouth, my body was almost covered with copper-colored spots and offensive sores. I suffered severely from rheumatic pains in my shoulders and arms. My condition could have been no worse; only those afflicted as I was can understand my suffering. I had about lost all hope of ever being well again when I decided to try S. S. S. I had about lost all hope of ever being well again when I decided to try S. S. S. It is estimated that the consumption is five matches a day for every man, woman and child of the population, which makes 400,000,000 a day.
